MOUNTAINS...

JUNGFRAUJOCH-TOP OF EUROPE

A full-day excursion into the glacier world of Switzerland's high Alps is an unforgettable experience. Jungfrauoch is the highest railway station in Europe at 11'333 ft. Open all year.
www.jungfraubahn.ch

SCHILTHORN – PIZ GLORIA

The Schilthorn peak at 9'744 ft. is one of the most exclusive view points of the alpine world. The revolving restaurant Piz Gloria turns around its own axis, allowing the most fabulous natural scenery of the whole Jungfrau massif.
December – April, May – October
www.schilthorn.ch

SCHYNI GE PLATTE

From Wilderswil, near Interlaken, the enchantingly old fashioned cogwheel railway slowly climbs up the mountain side to the station at Schynige Platte. So popular for its delightful panorama view and the alpine flower garden.
Half- or whole day trip. June – September.
www.jungfraubahn.ch

HARDER KULM

From Interlaken it is only a matter of minutes to the Harder Kulm. This attractive vantage point offers fine views of Interlaken the lakes as well as the entire Jungfrau Region.
Half day trip. April – Oktober.
www.jungfraubahn.ch

BEATENBERG – NIEDERHORN

You can get there by railway, by boat, by bus, by funicular and by aerial cableway. The Niederhorn above Beatenberg is one of the most popular vantage points in the Bernese Oberland. Half- or whole day trip.
January – March, May – Oktober.
www.niederhorn.ch

WATER...

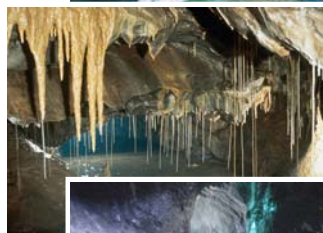

CRUISES ON LAKE THUN AND BRIENZ

Enjoy a romantic lake cruise on one of the two lakes with its turquoise-blue water, wonderful views of the nearby alps, pine forests, castles, churches and lovely villages. Half- and full-day tours. Spring – autumn.
Indian Diner Cruise: every Tuesday and Friday, May – June
Swiss Diner Cruise: every Tuesday and Friday, July – August
